

ACCESSORIES HOUSING
ENTRY/EXIT TUBES

- Housing entry/exit tubes for cables, with strain-relief ties**
- Material: Neoprene
 - Temperature range: -30°C to +90°C
 - Flame-retardant, conforms to UL 514
 - Includes cable tie for strong, secure and watertight strain-relief
 - Highly elastic material allows passing of single wires
 - Resistant to chemicals
 - Weatherproof
 - Simple and fast installation
 - 5 sizes for cable diameters from 4 to 32 mm.

TYPICAL APPLICATIONS

- Control box wiring
- Automotive industry
- Machine construction
