P3(S) Twin Cartridge

- Product Code:** 2140709
- Brief Description:** High efficiency dust filter
- Conformity:** Meets the requirements of EN 143. EC Type Examination (CE) Certificate Number 1206, issued by BSi Product Certification, Notified Body Number 0086, in accordance with the PPE Directive 89/686/EEC.
- Performance:** Offers a nominal protection factor (NPF) of 50 x Occupational Exposure Standard (OES) for very fine toxic dusts, fibres, fumes and aqueous mists.
- Instructions For Use:** The male part of the cartridge should be unscrewed and pushed through the mask, from the inside. The female part should then be screwed to the protruding thread ensuring a tight fit. The cartridges should be changed when breathing becomes impaired.
N.B. Cartridges marked for use with twin filters only should never be used with masks made to fit single filters.
- Cleaning Instructions:** Wipe with damp cloth soaked in mild detergent solution, being careful not to get any liquid inside the cartridge. DO NOT USE abrasive substances or solvents.
- Maintenance:** Store the cartridges in the packaging provided, out of direct sunlight away from chemicals, abrasive substances and in a dry atmosphere.
- Limitations of Use:** As indicated on the user instructions.
