Specifications:

- Working voltage: 100VDC or VAC peak
- Test voltage: 1000VDC
- Current rating: 4A
- Insulation resistance: 10MΩ min. @ 100VDC
- Contact resistance: 10mΩ max.
- Capacity (mated): 3pF
- Temperature range: -25°C to +70°C
- Reliability: 5,000 insertions
- Pin base moldings: Noryl, UL 94V-1
- Contacts: silver plated brass
- Housing: zinc alloy finished with bright nickel plating over copper
