High Power Heat Sinks - 700 Series *

Marston's 700 series is a range of high dissipation comb heat sinks which offer greater performance than conventional comb heat sinks.

Marston ref:	Width (w)	No. fins	Fin height
730DN	300 mm	22	84 mm
740DN	400 mm	30	84 mm
750DN	500 mm	38	84 mm
760DN	600 mm	46	84 mm
775DN	750 mm	58	84 mm

Length: Available in standard or custom lengths.

Performance under natural convection (Thermal Resistance °C/W) Plain Finish

Heat sink type	Length		
	100 mm	200 mm	300 mm
730DN	0.30	0.19	0.15
740DN	0.24	0.15	0.12
750DN	0.19	0.13	0.10
760DN	0.16	0.10	0.08
775DN	0.14	0.08	0.06

These sections are not available in an anodised finish.
