TITLE : EM55000S kernel chip V.S EM55000S series real chip PWM current

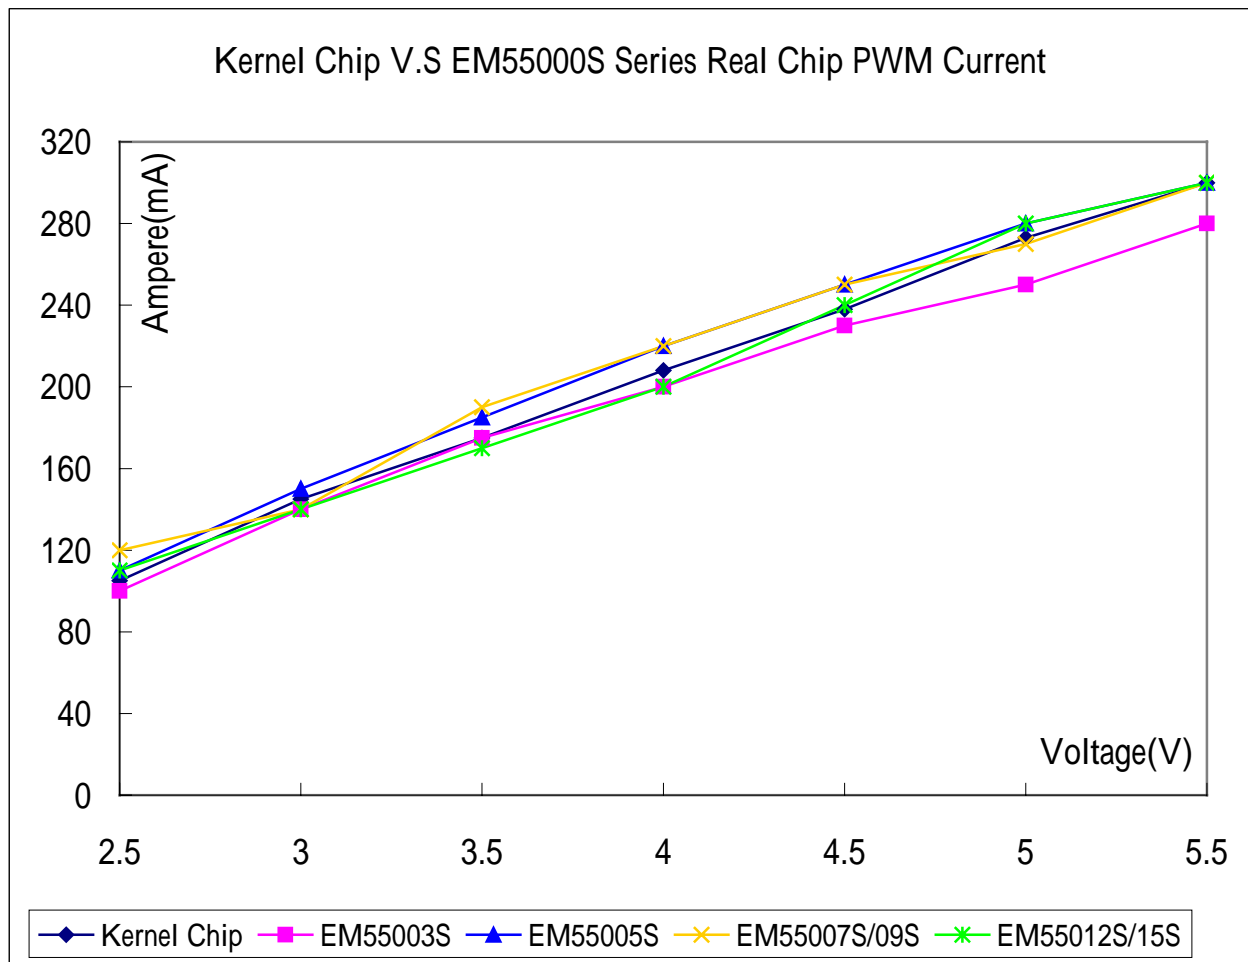

Document Number : **AP-EM55S-0005E**

Date of Issue : **23 October 2002**

Issue Version : **1.0**

Supported Chips : **All EM5500s Series chips**

Applicable Software :

The EM55000S series real chip PWM current only has a very little difference with kernel chip as verified in the above chart.
