

## NE1101-00

### Features

- ❑ 23 dB isolation, 0,2 dB insertion loss
- ❑ Designed for wireless telecommunication systems

### Description

TEMEX 's drop'in Isolators for UMTS application

### Electrical specifications

Performances warranted over temperature range

Parameters	Units	-10 to +55°C		
		Min.	Typ.	Max.
Isolation	dB		23	
Insertion loss	dB		0.2	0.4
Forwarded Power	Watts			100
Reverse Power	Watts			60
VSWR	-		1.20	1.25
