| Searchable Features:               |                |
|------------------------------------|----------------|
| Brand:                             | AMP            |
| Product Type:                      | Cable Assembly |
| No. of Positions:                  | 4 x (5+2)      |
| Wire Size (mm <sup>2</sup> [AWG]): | 28 AWG         |
| Cable Assembly Type:               | Cross Over     |
| Cable Assembly Length (M [ft]):    | 0.80 [2.625]   |
| Shielded:                          | Yes            |

| Other Properties:            |                            |
|------------------------------|----------------------------|
| Contact Mating Area Plating: | Gold (30) over Nickel (50) |
| Gender:                      | Female                     |
| Interface Type:              | 2mm HM                     |
| Voltage Rating (VAC):        | 30                         |
| Capacitance (pF/ft):         | 288.64                     |
| Impedance (Ω):               | 100                        |
| Shield Material:             | Stainless Steel            |
| Polarized:                   | Yes                        |

## HTML Pages converted to PDF Document

This document contain component information from the manufacturer's website which are not available in a revision controlled document from the manufacturer. To facilitate the addition of these parts into the Electronics Database, we are converting the HTML pages related to that part, from the manufacturer's website into Adobe PDF format. The contents of this document is based on the information provided on the manufacturer's website, therefore the information may have been changed by the manufacturer since this was created.
