

**Series 051
Dual Row
Unshrouded
Headers**

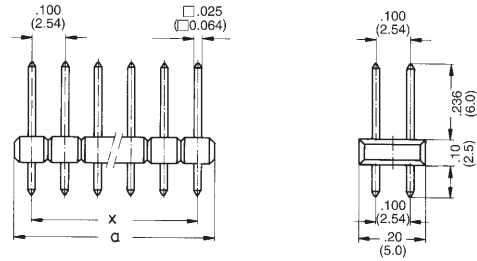

6 to 80 contact

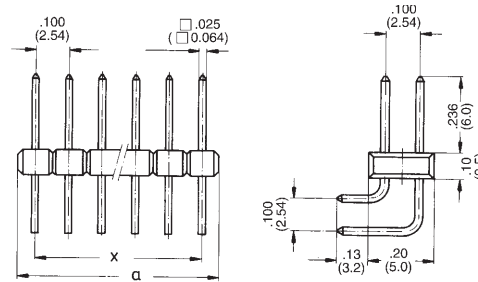

The series 051 headers are available in 6 to 80 circuit sizes. They can be cut down to any required circuit size.

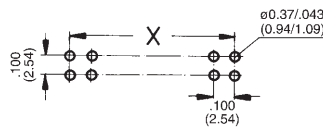

Straight Pins

Angled Pins

Printed Circuit Layout

Shunts

Part number	Contact Plating	Color
051-000-451	15µ" Sn/Ni	Green
