

## Cherished Memories Shine Forever

DashDrive Durable | **UD311**

### UD311 USB Flash Drive

The Durable UD311 USB Flash drive packs amazing capacity and USB 3.0 speed into a rugged and miniature form. Manufactured using advanced Chip-on-Board (COB) technology, the UD311 is highly resistant to damage from water and impacts. Its delicate size and gem shape allows it to stay connected to a host device for long periods of use without causing obstruction.

#### Ultra Small, Ultra Convenient

Sometimes you just want to leave your USB Flash drive connected to your computer for days at a time. With its sleek low profile, the UD311 can stay connected for long periods of time without interfering with your other USB devices. The UD311 comes in capacities of 16 and 32 gigabytes.

#### Advanced COB Manufacturing Process

The UD311 is manufactured through a special chip-on-board (COB) process, resulting in high water and impact resistance for the drive. It is engineered to be of the utmost quality and reliability, and further guaranteed by ADATA's lifetime.

## Features

- Strap hole for easy portability
- Water-resistant
- Impact resistant
- Mini COB construction
- Jewel-like faceted cap

## Specifications

- Interface: USB 3.0
- Capacity: 16GB-32GB
- Dimensions (L x W x H):  
25 x 17 x 8mm (1.0 x 0.7 x 0.3in)
- Weight: 3g (0.1oz)
- Warranty: Lifetime

## Ordering Information

Capacity	Model Number	EAN Code
16GB	AUD311-16G-RBL	4713435798331
32GB	AUD311-32G-RBL	4713435798348

## Performance

Capacity	Seq. Read (max.)	Seq. Write (max.)
16GB	40 MB/sec	10 MB/sec
32GB	40 MB/sec	10 MB/sec
